LEADERSHIP INFLUENCE EXCELERATOR

90-Day Virtual 1:1 Coaching and Mentoring

OVERVIEW

The **Leadership Influence Accelerator** is a 1-on-1 leadership intensive for boosting your team's successful engagement, better positioning of your authority, and building your sphere of influence. If you are in a client facing role, then this will also help you with converting vendors, prospects, and contacts into clients and customers. We start you off strong and give you the strategies, tactics, and tools to establish your strong leadership presence, and to effect positive change in your organization.

The program is an intensive 1-on-1 mentoring experience for corporate professionals at the director level and above, and other leaders who want a reliable, scalable, and proven roadmap to help them, their organization, or their teams get heard, get noticed, and get results.

HOW THE PROGRAM WORKS

You meet with Donn LeVie privately via ZOOM for regularly scheduled sessions to review progress, process issues, answer questions, and remove obstacles, plan immediate next action, and establish new habits that will impact your influence and persuasion in all areas of your life.

Everything (from big-picture strategy to day-to-day tactics and execution) is custom-tailored around your strengths, personal preferences, and the needs of your particular business or situation.
